Protect your phone from the hazards of everyday life with a PanzerGlass® screen protector. Accidental bumps against sharp-edged dangers in your pocket or crushing falls onto stone-hard pavements are no match for this scratch and shock-resistant screen protector, which provides high-level drop protection. It even has a smudge-free coating with antibacterial effect that reduces traces of fingerprints and kills up to 99.99% of all common surface bacteria.

Installation is easy peasy. Usually one attempt is enough, and should you need more, don’t worry: the screen protector can be re-installed up to 200 times. And once it’s applied, you’ll never again fear the sight of your phone tumbling to the ground. This may not happen, but if it does, you’ll regret not having clicked “add to cart”.
