

PanzerGlass ® Anti-blue light Screen Protector Apple iPhone 12 Pro Max | Edge-to- Edge

Model: PANZER2706

Manufacturer: PANZERGLASS

EAN: 5711724027062

Product Code: 1440354

R831

Zzzzzzzzz. This screen protector is equipped with a specially designed anti-blue light that may help you sleep better at night. It softens the strong blue light from your phone, which can be hard on your eyes and trick your brain into thinking it's daytime, disrupting your sleeping pattern.

Accidental bumps against sharp-edged dangers in your pocket or crushing falls onto stone-hard pavements are also no match for this scratch and shock-resistant screen protector.
