The GBC 250 A4 Laminator provides a reliable and efficient solution for everyday office laminating needs. Designed for professional environments, this laminating machine combines performance with ease of use. With a rapid 1-minute warm-up time, it laminates a 75-micron A4 sheet in just 36 seconds, making it ideal for fast-paced office tasks. The intuitive control panel offers three pouch thickness settings from 75 to 125 microns, providing flexibility for various document types. The panel also features an anti-jam reverse button for smooth removal of misfed pouches. Additionally, the SMART status LED system provides clear visual and audible cues: red during warm-up, blue with a sound when ready, and an automatic shut-off after 15 minutes of inactivity for energy conservation. The SMART entry guide LEDs ensure straight pouch alignment to prevent jams, making every lamination perfect. Protect and preserve your important documents with speed and a smooth, professional finish every time. Black and red colour.
