The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Direct access to Siri

Supports existing Siri voice assistant

Integrated microphone

Thanks to the integrated microphone you can easily switch between music playback and call answer. So you will no longer miss a call when listening to music.

Volume control

Volume control for individual, continuous volume adjustment

Kink protector

The kink protector between the earphones and the cable prevents cable breakage thus increasing the service life
