Kids can explore all kinds of career roles, including a Baby Doctor! This set includes a baby doctor environment including Barbie and her adorable baby doll patient! Barbie is wearing her pink heart print scrub set, ready to keep babies happy and healthy! The set also includes her examination table with Stars overhead and a shelf underneath to hold all the accessories, like a baby bottle or Barbie's stethoscope. Imaginations can play out a world full of storytelling possibilities and career opportunities with this powerful doll, ready to inspire kids to be anything! Doll cannot stand alone. Colours and decorations may vary.
