R1,484

Elegance, comfort, and functionality - the Thommy toaster leaves nothing to be desired!

The heat-insulated housing made of high-quality stainless steel makes this 2-slice automatic toaster a true highlight in your kitchen – safe and stylish at the same time. Thanks to the continuously variable dial, you can precisely adjust the browning level to your preferences. Whether you want to enjoy crispy XXL slices of toast or fresh rolls – the extra-large toasting chambers and the removable bun warmer offer you every option. With four settings – defrost, reheat, toast, and stop – the Thommy toaster offers several useful functions and makes it convenient to use. Its powerful 700–850 watts of power and automatic centering of the slices ensure even toasting. It stays clean thanks to the removable crumb tray, which makes cleaning particularly easy. And when the toaster isn't in use, the cord disappears neatly into the practical cord storage. The Thommy toaster combines
