R895

Costa Rica is an impact protective comfort-grip silicone phone case made with recycled silicone and recycled plastic materials. You will love how it feels in your hands, as this case has a super soft grip-friendly finish. With easy-to-press buttons and raised edges to protect camera and screen, Costa Rica offers complete protection of your phone.

Protect Your Phone and the Planet

Costa Rica combines impact protection with a soft, comfortable grip, all while using recycled materials for a case that feels as good as it performs.

Made with Recycled Materials

Constructed from recycled silicone and GRS-certified recycled plastic, each Costa Rica case helps keep the equivalent of two plastic bottles out of our environment. The case is also 100% recyclable.

Non-Slip Grip with a Super Soft Feel

Experience a case that's easy to hold and comfortable to use. Costa Rica features a non-slip, grip-friendly finish that makes handling your phone a pleasure.

3-Layer Impact Protection in a Slim Design

Designed with a 3-layer impact protection system, Costa Rica offers robust defense against drops while maintaining a slim profile. Raised edges ensure your camera and screen are well protected.
