The Lindy USB Type C to DisplayPort 4K60 Adapter cable allows users to easily add external video capabilities of a Type C Device such as a computer or laptop, by using DisplayPort Alternative mode. The 2 Metre length provides more flexibility when positioning the DisplayPort display.

With support for resolutions up to 3840x2160@60Hz and with additional support for High Dynamic Range, 4K content can be viewed with crystal clear clarity, enhanced contrast and more lifelike colour. These cables are great for creating eye-catching retail displays, innovative working environments or immersive video playback in sports bars and home cinema installations, while support for uncompressed multi-channel audio allows for an impressive three-dimensional surround sound performance to compliment detailed, clear video.
