Equip 19" Rack Mount Cable Management Panel with Brush, Black

Model: 327320

Manufacturer: EQUIP

EAN: 4015867245187

Product Code: 1443292

R1,075

The equip® 327320 is a 19" 1U cable management panel for data centers and server rooms. It routes and organizes cables neatly across a standard rack.

Five plastic cable rings hold and guide cables to prevent tangling and keep the rack tidy, while a brushed entry strip lets cables pass through cleanly and helps maintain airflow for cooler, easier-to-maintain installations.

Built from sturdy steel and plastic and finished in black (RAL 9005) for a clean, durable rack appearance.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
