

Equip 19" Rack Mount Cable Management Panel with Brush, Grey

Model: 327321

Manufacturer: EQUIP

EAN: 4015867245194

Product Code: 1443293

R1,077

The equip® 327321 is a 19" 1U cable management panel for data centers and server rooms. It routes and organizes cables neatly across a standard rack.

Five plastic cable rings hold and guide cables to prevent tangling and keep the rack tidy, while a brushed entry strip lets cables pass through cleanly and helps maintain airflow for cooler, easier-to-maintain installations.

Built from sturdy steel and plastic and finished in grey (RAL 7035) for a clean, durable rack appearance.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
