A full-size keyboard provides optimal efficiency and productivity, so you can work quickly (and maybe even go home early).

Splash zone? No problem

A spill-resistant design keeps your keyboard safe from liquids, so you don’t have to worry about tipping over your new coffee mug.

Stay adjusted

Use the fold-out feet to adjust the keyboard’s height, so you stay comfortable and get things done. Your hands will thank you!

All hands on deck

Left-handed, right-handed – the TKM-250 mouse is suitable for everyone. All it wants is someone to hold.
