

TP-Link VIGI 16 Channel Network Video Recorder

Model: VIGI NVR1016H

Manufacturer: TP-LINK

EAN: 4897098683293

Product Code: 1447273

R5,190

Security Never Shuts Down

VIGI NVR1016H 16 Channel Network Video Recorder

VIGI NVR Introduction

The VIGI network video recorder coordinates with camera systems to help you view, store, and playback videos.

Security for every hour and every day.

24/7 Continuous Recording

Stores up to 10 TB of footage from connected cameras to secure your data for quick, convenient access.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Every angle all on one screen.

16-Channel Real-Time Live View

Sharp image definition up to 8MP and a 16-channel display ensures you capture every detail, from every angle.

Reviewing footage is faster than ever.

Quick Lookup&Playback

Find the target footage easily by date, event types, and tags. Replay with variable playback speeds to quickly review footage.

Keep an eye on things even when you are on the move.

Remote Monitoring

Dedicated VIGI app is developed for remote monitoring, providing ease and convenience.

More compression. More savings. Same quality.

Smart Video Coding by H.265+

Without using any extra bandwidth, your cameras transmit compressed crystal-clear video to save disk space, ease network loads, and reduce monitoring costs without sacrificing image quality.

No need to check long compatibility lists.

ONVIF Ensures Compatibility

Easily add IPCs from VIGI and other brands to establish a powerful and varied network thanks to barrier-free compatibility.

Up to 720 days of footage stored locally.

1 HDD (up to 10 TB)

Stores up to 10 TB (720 days of video) on a SATA hard drive, keeping your data storage secured locally.

Greet your visitors before they enter.

Two-Way Audio

With voice intercom support, carry two-way conversations while watching your feed from anywhere. Suitable for management.

More bandwidth for more cameras.

80 Mbps Video Access Bandwidth

High video access bandwidth ensures your NVR manages more cameras with high resolution. Based on laboratory testing using VIGI cameras, VIGI NVR can manage up to 16× 4MP cameras.

Manage everything with one.

Run your business with peace of mind.

The VIGI professional surveillance system by TP-Link is dedicated to protecting the business you've worked hard to build—whenever, wherever. Our outstanding functions, reliable quality guarantees, and simplified installation work together to ensure your business stays safe and sound.
