R1,090

If you have multiple smartphones or tablets with different ports, you have no desire to search for a cable nor do you want all that cable clutter. How about a 3in1 cable? We have it! USB-C, Lightning or Micro-USB - charge and synchronize all devices.

- High-quality, quick charging cable: in combination with a quick charger, you can charge your mobile phone at top speed
- Maximum compatibility for all Apple iPhones, iPads and iPods as well as all mobile phones, tablets and other devices with USB-C or micro USB connection
- Data cable with a speed of up to 480 Mbit/s for high-speed data transmission

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
