R1,186

Indestructible! If you want to charge or sync your smartphone or tablet in an extreme situation, you'll find that the USB-C cable made of ultra sturdy fibre material will survive almost anything.

- High-quality, quick charging cable: in combination with a quick charger, you can charge your mobile phone at top speed
- Maximum compatibility for all mobile phones, tablets and other devices with USB-C connection
- High-tech cable with internal wires reinforced with DuPont™ Kevlar® fibres: particularly robust and durable
- Braided Nylon cable sheath: hard-wearing, easy to wind up, no tangled cables
- Flexible and at the same time extremely resilient materials for improved kink protection against cable breakage

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

- Particularly stable aluminium connectors with special strain relief prevent bending or breaking of the connections
- Data cable with a speed of up to 480 Mbit/s for high-speed data transmission
