An ergonomic 1:1 scale replica inspired by the iconic Airbus sidestick, the TCA Sidestick X Airbus Edition is officially licensed for Xbox Series X|S and ensures unique handling.

VERSATILE, MODULAR DESIGN

You can easily adjust the sidestick’s configuration before each takeoff, to meet your requirements: captain, co-pilot, or with the sidestick in the central position for solo flight.

BRING YOUR ECOSYSTEM ON XBOX!

Thanks to the new Ecosystem Hub, take advantage of simplified connectivity with software support for the Thrustmaster ecosystem and make it compatible with Xbox Series X|S! Only one USB cable needs to be connected to the PC or console!

NEW DESIGN AND CONNECTIVITY

The TCA Sidestick X Airbus Edition has been redesigned for a better stability and to integrate new connectors including 2x USB-A ports for your ecosystem, 1x USB-C port for the power supply and a jack socket for your headset. You can swap from Xbox to PC compatibility in just a flip.

ULTIMATE VERSION OF AIRBUS SIDESTICK

Enjoy optimal comfort and increased precision during your flight sessions thanks to the enhanced throttle and new tact switch buttons. The throttle built into the base of the joystick includes a thrust reverser function, a unique feature on airliners helping you master your landings.

READY TO TAKE OFF!

TCA Sidestick X Airbus Edition includes one month of Xbox Game Pass Ultimate service. Xbox Game Pass Ultimate includes Xbox Live Gold and over 100 high-quality games. Play games like Microsoft Flight Simulator with friends on console, PC, and get an EA Play membership.
