The Manhattan Power Bank 5,000 mAh with Integrated USB-C Plug - 10 W is the perfect companion for your on-the-go power needs. It’s designed for versatility and convenience, ensuring you stay connected wherever you are. As a compact power source, it delivers 5,000 mAh to keep your phones, tablets, portable game consoles and other mobile devices charged and ready.

Integrated USB-C Plug charges without cables

No need to worry about lost or tangled cables. The integrated USB-C plug connects directly to your device, providing seamless charging with up to 10 W. The 10 W USB-C input port recharges your power bank quickly, so you spend less time waiting and more time doing.

Convenient Kickstand

Transform your power bank into a hands-free charging phone stand. Watch, work or play effortlessly while your device powers up.

Comprehensive Protection

Your safety is our priority. The power bank comes equipped with overload, overcurrent, and overheating protection for worry-free charging.

Compact, Portable and Lightweight

Designed for your active lifestyle, the power bank's compact, portable, and lightweight design ensures hassle-free travel and seamless integration into your daily routine.
