R832

Scotch® Basic Masking Tape is a beige masking tape for use on non-damageable surfaces, with no residue if removed up to 1 day after application.

Get Scotch® Basic Masking Tape when you need basic masking that holds to surfaces for up to 1 day, then removes easily without leaving any sticky residue behind. This classic beige masking tape is easy to tear by hand. It's ideal for indoor use, providing medium to high adhesion for wall preparation before painting.
