Enhanced durability

Introducing the empower by PanzerGlass® Racing Cable Series – where reliability meets speed! This durable, heavy-duty braided cable boasts a 30,000-bend lifespan. Carefully designed to ensure durability and guarantee a long life.

Need for speed!

The empower by PanzerGlass® Racing USB-C to USB-C Cable features an ultra-soft and strong silicon interior paired with a braided outer cable sheath for durability and a premium feel. Convenience is key. Keep the cable organized when not in use with a handy strap. And the best part? It's made from 100% post-consumer recycled (PCR) materials.

The faster charging means you'll spend less time waiting and more time doing what you love.

We make extraordinary accessories that empower people to connect with friends, family, colleagues and technology every day.
