R1,163

ICONIC MAG is a case that combines color and transparency, designed to interact perfectly with the MagSafe® ecosystem. Thanks to the integrated magnets, the case aligns with the phone ensuring optimal compatibility with all MagSafe magnetic accessories. The colored semi-transparent edges combined with the full-color magnet add a touch of style, while the dual-material structure offers greater protection for edges and connectors. The raised edges in the camera and display area provide additional protection against bumps and scratches. With ICONIC MAG, your phone is
