R1,433

Wirelessly charge your smartphone quickly and safely with the ultra-slim re-charge Power Bank 5K Wireless v2, crafted from 100% recycled plastic. Designed for seamless on-the-go use, it supports Qi, Qi2 and MagSafe compatibility, delivering up to 15W of reliable wireless power. The LED indicator lets you know when it's time to recharge, and the USB-C output also allows fast wired charging for USB-C compatible devices.
