Product Code: 1452842

R853

For Managing Your USB Peripherals

HIGH QUALITY USB 3.0 4-PORT PORTABLE HUB

UH400

Foldable Cord Design

Innovative foldable cord design enables a more convenient way for storage or travelling

Compact Convenience

The perfect portable data hub to manage your USB peripherals

Made To Last

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Fabricated by ultra sturdy ABS housing with 4 dim LED status indicators, not only make the hub incredibly durable but also allow you to connect in style.

Never Scratch Your Laptop

UH400 has a slot to store the sharp metallic USB connector that usually scratches your laptop's surface

10x Fast Data Transmission

4 extended USB 3.0 ports support up to 5Gbps data transfer rate, 10x faster than USB 2.0, backward compatible with USB 2.0/1.1

Tangle Free
The foldable cord design prevents knotting
