R1,773

Connects a VGA source to a DVI display
Supports resolutions up to 1920x1200@60Hz
USB Type A Bus-powered
VGA male input to DVI female output for simple, direct connectivity
2 year warranty

The Lindy VGA to DVI-D Converter is a compact, premium solution for connecting a DVI monitor or display to legacy VGA source devices. Supporting resolutions up to 1920x1200, this converter is perfect for use in offices at home, in the workplace or in education, or for connecting analogue PC systems to eye-catching digital signage displays.

A separate USB Type A connection provides power for even the most demanding scenarios.
