adapter, you can achieve an output resolution of up to 3840 x 2160p at 60 Hz, which is perfect for performing high-resolution tasks such as viewing 4K video. Plus, the adapter is backward compatible with 1080p displays, which makes it a great accessory for home, office or other workspace applications.

Ultimate Portability

This USB Type-C video adapter is highly portable, with a small footprint and a lightweight design. The adapter is the perfect accessory for your new slim USB-C device, fitting easily into your laptop bag or carrying case, which is great for BYOD (Bring Your Own Device) applications at the office.

Hassle-Free Connection with USB Type-C

This adapter lets you utilize the versatile USB Type-C port on your portable device. USB Type-C is a reversible connector, so it doesn't matter which way you plug it in. The reversible connector means you will always plug it in correctly on your first try, saving you the hassle and distraction of repeatedly attempting to connect your laptop to a display or projector, while you're delivering a presentation or speaking to a group.

The CDP2HD4K60 is backed by a 3-year StarTech.com warranty and free lifetime technical support.

Note:

• Your USB-C equipped device must support video to work with this adapter.
