Microconnect USBMICROETHBB network card Ethernet

Model: USBMICROETHBB

Manufacturer: MICROCONNECT

EAN: 5704174197829

Product Code: 1454166

R1,220

The MicroConnect USB MICRO to Ethernet adapter in black provides a reliable wired network connection for devices that lack a built-in Ethernet port. This adapter is perfect for tablets, smartphones, and other portable devices with a USB Micro-B port, allowing them to connect to a wired network for faster and more stable internet access. Ideal for situations where Wi-Fi is unreliable or unavailable, this adapter ensures a seamless connection for data transfer, streaming, and online gaming. With over 20 years of expertise, MicroConnect delivers a premium quality adapter, guaranteeing a secure and dependable network connection. This compact and durable adapter is easy to install and use, making it an essential accessory for both personal and professional use, ensuring you stay connected with confidence.
