Zebra Xslate R12 mobile device dock station Tablet Black

Model: 300094

Manufacturer: ZEBRA

Product Code: 1454671

R18,577

The XSLATE R12-Series Secure Mobile Dock is designed to be a low profile and rugged docking solution for in-vehicle and forklift mounting of the XSLATE R12 Tablet. It offers full port replication (HDMI, VGA, 4 USBs, Ethernet and Serial), full high definition output for up to two external monitors, an optional Pass-Through antenna module and is convenient to mount using a standard VESA hole pattern. A secure latch offers simple, one-handed docking and undocking of Xplore Tablet PCs and the integrated key lock provides increased security. This kit includes a battery charger.
