GDS 18V-1050 H Professional: Further information

Product Highlights

The GDS 18V-1050 H Professional is the outstanding 3/4" impact wrench with brushless motor for the most diverse fields of application. Its BITURBO Brushless technology combines corded power with cordless freedom fully maximised for ProCORE18V batteries. Whenever heavy-duty performance is needed, the new impact mechanism provides a tightening Torque of 1,050 Nm and breakaway torque of 1,700 Nm for particularly challenging working environments. The high versatility in power controlling is ensured by the 3-speed/torque settings that allow adjustments to the respective work requirements.

Equipment & Application

The main areas of GDS 18V-1050 H Professional are metal applications (M10-M24) like structural steel construction, metal assembly, pipe fitting, truck maintenance, and wood construction. It is compatible with all Bosch Professional 18 V batteries and chargers (Professional 18V System), for maximum power use ProCORE18V $\geq$ 5.5 Ah.
