The Verbatim Universal Travel Adapter can be used in more than 180 countries – take it everywhere with you and never be out of power. This world-to-world multi plug will allow you to connect to any local power supply around the world and recharge your power-hungry devices, like laptops and camera batteries. The two USB-A ports on the bottom can charge all your USB devices including smartphones, Bluetooth speakers, tablets, power banks, and Kindles.

Charge three devices simultaneously

The compact and powerful Universal Travel Adapter allows simultaneous use of the AC power socket and the dual USB ports. The input voltage of the multi adapter plug is 100-250V, meaning that it can be used worldwide to charge multiple devices.

Just push the sliders on the side of the multi plug to reveal the three most common international plugs - EU, UK, and US - and rotate the pins for sockets in Australia or China.

Certified by FCC, UKCA, CE and ROHS, and made with high quality fireproof polycarbonate material, this Universal Adapter is perfect for daily use during your trip.

It has safety shutters for child protection that can only be opened with force of more than 75N (7.5Kg) per hole, and its BS1362 compliant fuse (including a spare) gives you 100% peace of mind wherever you may go.
