R1,825

The under desk cable holder is the ultimate solution to cluttered and tangled cables that can be frustrating and distracting.

Made from high-quality materials, the under desk cable holder is durable and long-lasting. Its easy-to-install design allows you to attach it to the underside of your desk, freeing up valuable workspace while keeping cables neatly organized.

It is compatible with all types of cables, including power cords, USB cables, HDMI cables, and more. Say goodbye to cable clutter and hello to a more organized and productive work environment with the under desk cable holder.
