Is your phone ready to face the hazards of everyday life? Made with D3O® Bio, the world's most advanced plant-based protection material, trusted to protect military elite forces, this PanzerGlass® ClearCase keeps your phone safe from drops, shocks and scratches. The back of the case is made of tempered glass, the frame of plastic with 44% plant-based content, and the whole case has been drop-tested according to 3 x Military Grade Standard. That means it can withstand several drops from a height of 3.6 meters or a running-down-the-stairs-and-accidentally-dropping-your-phone kind of height.

The ClearCase protects and prolongs the lifetime of your phone so that one day you can pass it on to someone else who will love it just as much as you do. This is one way of working toward a more sustainable future. Another is to use less packaging: For this case, we have managed to reduce the paper packaging by approximately 40%* compared to previous models. This product comes in a

recyclable FSC™-certified box.

The wireless charging compatible ClearCase features a soft frame in classic black combined with a transparent back cover made of tempered glass, which provides a clear view of your phone's beautiful design. For 360-degree phone protection, combine the case with a PanzerGlass® screen protector and PanzerGlass® PicturePerfect camera lens protector.

*Estimated by comparing the paper weight with our 2022 packaging.
