InLine 17291E cable gender changer DisplayPort Grey, Black

Model: 17291E

Manufacturer: INLINE

EAN: 4043718338139

Product Code: 1457963

R850

90° angled DisplayPort adapter: Optimal cable routing in tight spaces – e.g. behind monitors or in media cabinets.
Supports 8K UHD: For the highest image quality in professional applications or demanding AV setups.
High-quality workmanship with gold-plated contacts: Corrosion protection and long-lasting signal quality for long-term use.
Compact, robust design: Suitable for stationary and mobile installations.
Compliant with DP 1.4: Safe and compatible with modern devices and standards.

The InLine® DisplayPort 1.4 adapter in a 90° left-angled design (plug to socket) is ideal for anyone who needs to save space but still wants a high-quality connection. The left-angled design allows for cable-friendly routing to the side without kinking or straining the cable.
