InLine 17291F cable gender changer DisplayPort Grey, Black

Model: 17291F

Manufacturer: INLINE

EAN: 4043718338146

Product Code: 1457964

R850

90° downward-angled DisplayPort adapter: Ideal for downward cable routing, e.g. for monitors on wall mounts or in confined desk spaces.
Full 8K support: High-resolution display for professional applications and high-quality AV technology.
Gold-plated contacts for reliable connection: Minimise signal loss and offer corrosion protection.
Compact design for flexible installation: Enables clean cabling even in tight spaces.
DisplayPort 1.4 compatible: Can be used with all modern DP devices, long-term usability.

The InLine® DisplayPort 1.4 adapter in a 90° downward-facing design (male to female) offers a well-thought-out solution for all locations where cables need to be routed downward, such as monitors on wall mounts or in cramped workstations. The adapter relieves mechanical stress on the connection and protects the cable from kinking or damage.
