InLine 17291I cable gender changer DisplayPort Grey, Black

Model: 17291I

Manufacturer: INLINE

EAN: 4043718338177

Product Code: 1457967

R850

90° vertically angled DisplayPort adapter: For side cable routing to the left – ideal for technical furniture, AV walls or confined installations.
8K UHD-capable: High resolution for professional applications, media technology or CAD systems.
Gold-plated contacts: Reliable and durable with high signal quality.
Compact, robust design: Space-saving and mechanically stable – ideal for installations with continuous load.
Compatible with DisplayPort 1.4: Future-proof integration into modern systems.

The InLine® DisplayPort 1.4 adapter with a 90° vertically angled plug to the left enables clean side cable routing – for example, for monitors in technical furniture or in wall installations. The left-angled design saves space and protects the cable from unnecessary strain.
It is 8K UHD-compatible, making it ideal for high-resolution video applications, presentation
