Reduce back discomfort with the Fellowes Breyta lumbar cushion, designed to provide support and encourage correct ergonomic posture. The cushion features an easy-to-use adjustable strap, ensuring it stays firmly in place (strap length: 100 cm). Its compact design allows for easy transportation, making it convenient to carry wherever you work. Additionally, the Breyta lumbar cushion is made from recycled content, with the foam containing post-consumer recycled material from mattresses and the fabric cover crafted from 100% post-consumer recycled polyester.
