DISPLEX Full Cover Camera Lens Glass – All-in-One Protector (2-Pack)

Total camera protection for your smartphone.

The DISPLEX Full Cover Camera Lens Glass (2-Pack) offers reliable, all-round protection for the entire camera module. Made from ultra-thin 10H tempered glass, it shields against scratches and everyday impacts while preserving the premium look of your device.

The solid glass sheet covers all lenses at once, integrating seamlessly with the camera area. With

92% light transmission, it ensures brilliant, distortion-free photos. An anti-fingerprint coating keeps the surface clean and easy to maintain. The Quick Mount System enables tool-free installation in seconds – just align, press, and you're protected.

With a millimetre-accurate design, this protector fits perfectly and works with most standard phone cases.

Key benefits:

•2x tempered glass camera lens protectors

•10H surface hardness – ultra-thin, highly durable

•Full-cover design for unified module protection

•92% transparency – flawless image quality

•Anti-fingerprint surface – less smudging

•Quick Mount – easy, bubble-free installation

•Precision fit – case compatible

DISPLEX – Engineered in Germany. Clearly better. Visibly safer.
