The LogiLink 14" LCD Writing Tablet (Art. No.: AA0182) is a versatile tool for children that elevates creativity and learning. In addition to the eye-protective LCD writing surface with one-click erase and a lock switch, this tablet features a convenient dry-erase whiteboard on its backside. This provides even more opportunities for drawing, writing, and learning with dry-erase markers. Its slim design makes it easy to transport, while the high-quality material ensures safety and comfort for long-term use. Ideal for creative minds at home or on the go.
