Lynge MagSafe ICON combines function and refined design with responsible materials. Made from dbramante1928’s ICON material, it offers a soft-touch finish and resists stains, scratches, and pen marks. Featuring built-in MagSafe-compatible magnets and a detachable snap-on case, it adapts from a wallet folio to a slim protective case. Crafted from GRS-certified recycled materials and fully recyclable, this wallet features 3 card slots, a note section, and a magnetic side closure for a secure fit, along with a custom slim profile.
