

Hama 00110822 kitchen appliance thermometer White

Model: 110822

Manufacturer: XAVAX

EAN: 4047443005014

Product Code: 1460446

R829

- Makes it easier to maintain the recommended internal temperature of refrigerators (2-8°C) and freezers (at least -18°C).
- Correct internal temperature keeps food fresh longer and limits/prevents bacterial growth.
- Colour scale for easy reading.
- Measuring range: -35 to +40°C.
- Mercury-free.
- Colour: white.
