

StarTech.com 1m Coax High Resolution Monitor VGA Cable - HD15 M/M

Model: MXTMMHQ1M

Manufacturer: STARTECH

EAN: 065030846851

Product Code: 1460671

R721

Connect your VGA monitor with the highest quality connection available

The MXTMMHQ1M High Resolution VGA Cable (1-meter) is designed to provide the highest video quality possible through VGA, ideally suited for high resolution applications of 1920x1200 and above. This durably constructed coaxial VGA video cable (HD15 to HD15) eliminates the picture "ghosting" and fuzzy images that are inherent to non-coaxial VGA cables, while delivering superior EMI interference protection by using ferrite cores near the connector ends.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
