

Zebra P1058930-081 printer roller

Model: P1058930-081

Manufacturer: ZEBRA

EAN: 5052184500086

Product Code: 1460760

R2,949

A platen roller is a vital printer component that helps create the optimum amount of pressure to drive labels through the printer, ensuring clean and crisp printouts. Zebra platen rollers and platen roller repairs kits will help ensure continued top-notch printer performance and avoid costly downtime. A worn or damaged platen roller should be replaced or repaired immediately.
