

Lindy 60m 4 Port USB 2.0 Cat.6 Extender

Model: 42679

Manufacturer: LINDY

EAN: 4002888426794

Product Code: 1461661

R2,782

The Lindy USB 2.0 Cat.6 Extender extends the distance between four USB peripheral devices and the computer up to distances of 60m using a single Cat.5e/6 or higher network cable.

The Extender is a two part hardware solution comprising a transmitter that connects directly to your computer and a receiver that connects to the USB device.

It is perfect for use with USB 2.0 devices such as storage devices, printers, scanners, mice and keyboards. The included power supply ensures secure and uninterrupted electricity supplies. For best performance and compatibility, we recommend the use of solid core patched cables.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
