R756

iPhone X Cases

Protect your device with the durable Pop Case for iPhone. Constructed from tough, lightweight polycarbonate, it offers complete defense for the back, corners and edges of your device. A textured bumper infused with a TENSAERLITE®, honeycombed design provides excellent grip and outstanding shock absorption in the event of drops and bumps.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
