The Conceptronic ERGO cooling stand will maintain the safe and comfortable running of your portable device, featuring comfortable ergonomic design for use in any situation. Level height adjustment helps to maintain a correct sitting position while using the portable device, relieving pressure from the neck and shoulders. Features a hollow design for heat dissipation, effectively improving the air circulation rate and preventing the portable device from performance degradation caused by overheating. The cooling stand also features an anti-slip design to make sure the device remains centrally located on the stand. A handy and versatile addition to your mobile workstation, perfect for daily use.
