R1,604

If you are a fan of tidy desk spaces, this product is just for you! The universal Laptop Stand is a perfect accessory for you if you are using a universal docking station. It takes up much less desk space than if you just have your laptop lying flat on your desk.

The dark grey, anodized aluminium makes it look really good with all laptop colours. It is adjustable from 11-45mm and comes with installed rubber pads to prevent scratches on your laptop.
