Small Flat Panel Table Stand

Chief's low-profile FSB018 Table Stand provides smooth adjustments and modular versatility for small flat panel TVs, LCDs and monitors.

Features

- Low-profile base frees desk space
- Adjustable friction for custom feel and touchscreen stability at any angle
- 0-90° variable viewing angle for data privacy
- Height-adjustable for various display sizes and optimal viewing height
- Accommodates most 18" VESA® 75 x 75 mm and 100 x 100 mm compliant displays
- Easy installation
