R33,086

Dell ProSupport Essentials for PCs is part of the ProSupport Suite for PCs delivering business-class support that keeps your client devices running smoothly, without the complexity of a fully customized service. Built on Dell's proven ProSupport capabilities, it gives organizations a simple, cost-effective way to upgrade from basic warranty to 24x7 expert help, faster response, and more predictable outcomes for their PC fleet. With ProSupport Essentials, IT gains a dependable safety net for hardware and common software issues, while users get the confidence that when something goes wrong, Dell is ready to respond quickly and efficiently.
