R2,492

Effortless and flexible screwdriving, drilling, or impact drilling

This cordless EasyImpact 18V-40 combi drill is the flexible all-rounder for an array of drilling and fastening jobs. It has a 2-speed gearbox for fast drilling and powerful screwing while the 20 torque levels allow for maximum screwdriving precision. The 13 mm single-sleeve chuck makes changing drills and bits easy. Thanks to the ergonomic design and built-in LED lights, work is completed effectively and comfortably, even in poorly lit areas. This appliance is the clear choice when working with wood, metal, plastic, or masonry. The tool belongs to the POWER FOR ALL ALLIANCE. One battery can operate a large variety of tools from different brands.
