Product information "Wireless multi-device keyboard, BT 5.1, with trackpad and removable cover, grey" from LogiLink

LogiLink wireless keyboard is designed for seamless connectivity and productivity. Easily pair with up to 3 devices, compatible with Windows, Android, iOS, and MacOS systems. Switch between devices effortlessly
with a single keystroke. Enjoy smooth navigation with our fold out trackpad, which supports multi-touch gestures for enhanced efficiency. The detachable magnetic cover not only shields the keyboard from dust
and spills but also doubles as a convenient stand for your phone or tablet.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
