TC22R Integrated Handheld RFID Reader

Track assets easily with a lightweight, all-touch design

In an increasingly competitive marketplace, you need to stay a step ahead with asset tracking that's easy, intuitive and efficient. The Zebra TC22R Integrated Handheld RFID Reader provides an integrated, lightweight, all-touch design that helps your associates keep track of assets and inventory for extended periods with less fatigue. Capture data in less time and with less effort using a TC22R handheld reader that delivers industry-leading performance, such as read rates up to 1,300 tags per second, in an all-in-one form factor.

Accelerate Your Inventory Management

Ergonomic Design for All-Day Comfort

The TC22R handheld reader combines real-time visibility with simplicity and ease of use. This lightweight reader enables workers to continue cycle counts with less fatigue than heavier devices. That means you get the high performance that comes with field-proven Zebra software in a compact, all-in-one device.

Simplified Deployment

The TC22R handheld reader offers a fully integrated Android-based solution that can be supported by mainstream MDMs, reducing deployment headaches and management overhead. And with the latest Bluetooth® and Wi-Fi capabilities, the TC22R handheld reader offers easy deployment that gives your business a competitive edge.

Industry-Leading Performance

With a robust read rate of up to 1,300 tags per second, the TC22R handheld reader enables greater insights into asset movement and real-time data from the first mile to the last or from the front of the store to the back. In addition, because the TC22R handheld reader has an integrated NFC reader built-in that assists with mobile POS applications, you can capture data in less time and with less effort.

Easy Connectivity

With Wi-Fi 6 and Bluetooth, the TC22R handheld reader is easy to use and manage across your network. That means implementation takes less training time, allowing you to reduce deployment timelines and streamline configuration.
