ACT Vertical wall mounting bracket 19" 2U

Model: FA2102

Manufacturer: ACT

EAN: 8716065592856

Product Code: 1467706

R1,357

The FA2102 vertical wall mounting bracket is a universal 19 inch 2U rack suitable for horizontal and vertical placement. Ideal for mounting 19” panel for network, audio, or video, to a wall or under a desk. This solid metal frame has an open structure for better heat dissipation.

The FA2102 includes 4x M6 cage nuts and bolts, and 6x heavy-duty masonry anchors, and 6x M5x16 stainless steel screws.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
