Tired of broken screen protectors? We got you covered with our eco-friendly and virtually unbreakable screen protector, eco-shield. Made from 100% recycled materials (rPET) & 100% recyclable without compromising protection and quality this easy application screen protector fits perfectly on your device, offering all-round sustainable protection when paired with one of our recycled cases. Eco-shield reacts like your phone's own screen. Incredibly slim at just 0.4mm, you'll hardly notice the ultra-tough layer of protection.
